

THE CRAZY COW'S MONTHLY MOOS

**FEB
2019**

AIR CONDITIONING

Thank you to everyone who donated and supported the fundraisers to help install air conditioning into the playground! We are so thankful for the amazing difference it makes.

THE CAFÉ

Since the start of December we have introduced freshly made salad and toasted wraps to our existing range of focaccias and pies. Our Hawaiian Chicken Tender Wraps continue to be favourites as well as chips and wedges.

Milkshakes and ice-creams have been popular over the summer school holidays.

The biggest misconception we are trying to overcome is that the café is only for families with children.

Our regulars choose our café because it is comfortable, relaxing and has easy parking; they like our menu choices (healthy and decadent options) and its affordable.

If you haven't been yet, why not come and check it out for yourself?

The word is getting out, we have great coffee!

PAY IT FORWARD

Since the start of December our "Pay It Forward" system has become quite popular. People are regularly paying for a playground or mini golf pass, or a coffee so that we can pay it forward to a person in need, or for a random act of kindness. Since January, we have had several lovely opportunities to encourage families visiting the centre. As the number of gifts increase, we hope to also forward them to the Baw Baw Food Relief as an encouragement for families in difficult circumstances.

WHAT'S NEW FOR THE KIDS?

Since opening, we have bought a new jumping castle, some soft play equipment (which the kids love building obstacle courses and towers with), some large scale gear construction and most recently, we have installed a Babies Corner. This will allow a safe place for babies to lie on the foam mats, crawl and begin to walk, without worrying about being knocked over by bigger toddlers. We've already had two mum's groups enjoying it in the first week. It will also allow us to add some more activity centres into the toddler room to stimulate creative play.

THE CRAZY COW'S MONTHLY MOOS!

VOLUNTEERING @ THE CRAZY COW

We have an amazing team of volunteers including cleaners, playground monitors, café assistants and group leaders.

We currently need a cleaner for 1 or 2 hours for the Friday night or Saturday morning shift and the Saturday night or Sunday morning shift. Can you go on a roster for this? You need a good level of fitness. We'd also love to offer more two hour sessions with playground monitors. Please contact Julie for more details.

DID YOU KNOW?

You can book the whole centre for functions such as family reunions, work functions and family celebrations. If you have a gathering that has both adults and children, then this is a great option.

- Relaxing café for adults to sit in
 - Mini golf for all ages to have some fun
 - Playground to keep the kids entertained
 - Self catered and catering options are available.
- Brochures available in our centre or on our website.

EVENTS

EVERY

WED

1.00-3.00 pm

Chat 'n' Craft

(For Adults)

Come and join us. Learn how to do hand applique – make some to keep and some to donate.
